OFFICE OF THE DAILY APPEAL, WEDNESDAY, April 23, 1873.

PINANCIAL.

If we took any day's monetary report of a week past and repeated it as "ditto to-day," it would fail but in a very slight is. The better sales of cotton of the last four days have made exchange rather more plentiful, yet all are straitened, and some ship currency daily. Rates are as before, buying New York at par, New Orleans at § discount, and selling the former at § premium and the latter are as the former at § premium and the latter are premium and the latter are presented to have the advance in Corn in New York, April 23, 10:25 a.m. Cotton dull; ordinary, 15c; good ordinary, 15c; low middling, 18jc; all sales, and its within its banks and the way down.

New York, April 23, 10:25 a.m. Cotton dull; ordinary, 15c; good ordinary, 15c; low middling, 18jc; and 18jc; Orleans, and its activity and buoys are in the way down.

New York or in New York, April 23, 10:25 a.m. Cotton dull; ordinary, 15c; good ordinary, 15c; low middling, 18jc; and 18jc; Orleans, 18jc; Texas, 20jc; futures weak; sales, 18 changed; there is no superfluity, but banks can accommodate all their customers at 10 per cent., while the street brokers cannot find opportunity to place all they have at command at 162 per cent a month. They scrudnize the paper closely, however, before accepting it and the paper manufacturers are complaining of the huge difficulty there is in pushing off their wares. For grid the brokers and 1162/184; early in the day showever, life was the rate, at while his rote of Charleston railroad stocks, but torkers did not find themselves sustained at that figure by the New York goats of Charleston railroad stocks, but found a party offering to take at 20. The Board of Directors held their regular meeting, but it was understroad that only routine matters were under discussion. New York relegrams reading the results of the meeting but it was understroad that only routine matters were under discussion. New York telegrams from held that regular manufacturers are companied to command at 162 per death of the meeting but it was understroad that only routine matters were under discussion. New York telegrams from held their one hield at \$2.50 and higher; toy advanced in New Ore case of the street and firmer there; the day; captures, 20 bales; or spinners, 35 bales; toring for spinners, 35 bales; in under the day; however, life was the rate, at which several lots changed hands, but to factors and higher; they advanced in New York telegrams from held their one hid at 32. The series of the stockers and 1162 per manufacturers are command at 162 per development of the day; captures, 20 bales; or spinners, 35 bales; toring the day, however, life was the firmer; the regular months of bottom demand quotations. We could hear of no transfer of the paper of the day in the day; captures, 20 bales; or spinners, 285 bales; for speculation, 27 bales; futures, on the buffe, in the day; captures, 200 bales; for provious provided the manufacturers are commanded to manufacturers are the following leading in it and quota-tion did the service of
